

Perfect Turf® PetGrass® Eco

Description: When the application is not for a high-volume dog application, we offer PetGrass Eco. It is the same product as the PetGrass Classic, but without the antimicrobial additives. The backing is designed with *five times* the drainage holes as other turfs. This turf provides excellent drainage, proven durability and a great price.

Applications: Indoor or outdoor use for commercial and municipal dog parks and residential dog runs or any area where people walk dogs.

Face Weight: 64 oz.

Pile Height: 1.25"

Roll Width: 15' (180") wide rolls.

Yarn Color: Two-tone grass blades. Thatch comes in a tan and green combination for a more natural look.

Yarn Type: 11,800 denier two-tone monofilament polyethylene grass blade and a curled polyethylene thatch layer.

Construction Details: Type: Tufted. | Gauge: 3/8 inch.

Primary Backing: 6 oz. 2-layer polybac.

Secondary Backing: 24 oz. polyurethane backing.

Perforations: Yes, 2" x 2" on center with additional holes to assure complete drainage.

Infill Requirements: No.

Warranty: Ten (10) year manufacturer's warranty.
